LOST & FOUND

Jackets, sweatshirts, hats, and many other items have filled our lost & found bin in our galleria. Items not claimed by the end of school year will be donated to charity

As our year begins to wrap up, please consider the following things to support your student during this season:

- * As it stays lighter later, a consistent and reasonable bedtime to ensure a good night's rest.
- * Having a place and time to do homework and/or math, reading, and writing practice before going out to play.
- * Using sun block and/or face, arms, and head covering to prevent these early season burns.
- * Support your student to finish strong, completing projects and assignments, reading and math homework/practice nightly, and positive social skills reinforcement that are preparing them for next year.

We need help on our field day. If you are available to volunteer, please return the signed slip below to your child's classroom teacher by June 10 or phone 279-5252 and leave us a message with your name and telephone number and what time you can volunteer.
