PTA Update

Thank you to everyone who participated in the Fundraiser by selling, purchasing items or by donating money. Your efforts netted \$4,300 towards the funding of Field Trips and the Pacific Science Center visit. Thanks also to those that collected, cut, and sent in Box Tops, earning over \$800 cash for our school.

Special thanks goes to the many volunteers that helped with the fundraiser and/or Box Tops drive: Sharon Gaughan, Sandy Conklin, Kris Taylor, Angela Thomas, Kathy Thomas, Lauraly Gross, Shannon McLeod, Cheryl Johnston and Rhonda Ince.

Deployment Support Info.

In March, we will be starting up new deployment support groups for students in grades 1-4. These are groups that meet during lunch that are facilitated by counselors from the Fleet and Family Support Center. Please look for information coming home from our counselor, Jeff Riffel, soon if you're interested.

What We Did on Monday

On February 22, our staff reviewed our school improvement plan to check our progress to date on the activities we outlined to help us reach our goals. We were pleased to see that we have begun work in every area, which we expect to show in next year's testing results!

Reading Night a Success

Thanks so much to all staff, parents, students, military partners, and community members who participated in our Pajama Party Reading Night on Tuesday, February 23. Everyone had a great time and every student who attended went home with at least one free new book! We enjoyed all the activities, not to mention the pizza feast at the end of the night! Thanks of your support of our school!!!

Title I Corner

Now that we have updated DIBELS and STAR data, Title I staff have been reviewing groups of students who require intervention and doing some shifting as students' levels have gone up or down.

We'll be happy to see you here on March 10 for Coffee Talk about the MSP at 9:00 a.m. in Portable 2!
