HIV/AIDS Curriculum Info. 5TH GRADE PARENTS

Wednesday, March 17, 2010

The state mandated HIV/AIDS curriculum will be available for parents to preview. Parents from all elementary schools in Oak Harbor are invited and encouraged to attend.

In accordance with state law, parents must preview the HIV/AIDS curriculum in order to exempt their child from participating.

The curriculum preview will be held at the Administrative Service Center located at 350 S. Oak Harbor Street in the Board Room. Kurt Schonberg, Director of Teaching & Learning, will be available to answer questions regarding the curriculum. Please call your child's teacher or the office of Teaching and Learning, 279-5035, with any questions.

Fun Things To Do on Spring Break

Learning can continue in enriching experiences over spring break. Here are some fun ideas: check out some books at the local library, enjoy the view and the exercise by taking a hike in one of our local parks, visit a local museum and learn about Whidbey history, play a board game (if it rains), or plant some flowers in the garden!

What We Did on Monday

On March 1, we focused on data: where students were at the beginning of the year and the progress they'd made to mid-year. This included updating "data walls," which many of you saw at fall conferences. On March 8, we reviewed items and structures for the MSP (the test replacing the WASL).

Title I Corner

Many thanks to those of you who showed up on March 10 for our Coffee Talk on the MSP. In addition to Coffee Talks, the Title I crew has been working hard to make sure our interventions are working, reviewing data with teaching teams and revising our student groups to be sure to target student needs.
