Box 4: Learning Activities

The first four days of the week, the student will complete a part of the lesson from the curriculum mentioned above. A detailed outline for the curriculum is found in the

teacher's manual under course schedule (pg. 3). The lesson will be taught to them, samples will be worked on the whiteboard or pencil & paper to make sure the student comprehends, and the student will then independently work through a daily assignment to make sure they understand and show the ability to complete the learning of the day. Any errors will be corrected.

Box 5 Progress Criteria/ Methods of Evaluation

Student monthly progress evaluation is made on the basis of weekly certificated contact, work samples, communications with students, communications with parents, and performance in on-site classes. It is electronically communicated to parents via WINGS. It is our goal that the student will accomplish approximately 10% of the goals of this course each month, September through June. The level of mastery expected is 70% or higher to progress. Methods of evaluation will include but are not limited to those below, under the direction of an HQ teacher:

- * observation and/or correction of daily and/or weekly work and progress
- * daily or weekly discussion of assignments, readings, writings
- * correction of work done incorrectly
- * portfolio kept of student work, at least weekly
- * standardized testing (iReady, state assessments, Iowa Tests, etc.)

(make additions and deletions as you see fit to the asterisks.)
