About the Wildcat Booster Club

The Wildcat Booster Club is made up of volunteers in the community to support student athletes. They do this by providing funds to interscholastic athletic programs at Oak Harbor High School for projects and activities that assist the athletes, coaches and fans; promoting interest, enthusiasm and spirit; providing equipment and uniforms; supporting all of the athletic teams and coaches; assisting coaches with professional development opportunities at coaching clinics; providing college scholarship awards to 2 deserving seniors every year; recognizing our teams with record boards and the Hall of Fame. The Wildcat Booster Club also runs the concession stands at sporting events in the gym and Wildcat Memorial Stadium.
